PURSUANT to the provisions of section 9 and section 14 of the "Amusements Tax Act," being chapter 323 of the "Revised Statutes of British Columbia, 1948," as amended by chapter 67 of the Statutes of 1950 and chapter 43 of the Statutes of 1954, His Honour the Lieutenant-Governor in Council, by Order in Council No. 817, dated April 15th, 1954, has been pleased to approve the following regulations:—

REGULATIONS

1. Title

These regulations may be cited as the "Amusements Tax Act Regulations."

2. Interpretation

2-1. In these regulations, unless the context otherwise requires, section 2 of the Act shall apply.

2-2. "Act" means the "Amusements Tax Act."

2-3. The following expressions, when used either in the Act or in these regulations, shall have the meaning as assigned herein.

2-4. "Collector" includes all collectors appointed under the "Taxation Act," all Government Agents, every constable and officer of the Royal Canadian Mounted Police, and every person authorized by the Minister under the Act.

2-5. "Non-profit association, institution, order, organization, or society" means a non-profit association, institution, order, organization, or society which organizes, promotes, or manages a contest, dance, entertainment, exhibition, or performance at a place of amusement and where no part of the revenue therefrom, either directly or indirectly, is for the benefit or private gain of the non-profit organization itself or of any person as a member thereof or shareholder therein.

3. Tax Returns

3-1. The owner, proprietor, or manager of a place of amusement or his representative in the Province shall make a return of the tax to the collector for that locality within the time and in the manner as set forth in these regulations. The return shall be filed in duplicate and shall contain the daily number of admissions; the first and last numbers of the strip or roll tickets issued, or the numbers of admissions as recorded by any mechanical device in use, or the total of any unnumbered tickets issued for each day's operations, together with the established price or fee charged for each admission; and the total value of each day's receipts and the tax thereon, and such other details as may be prescribed on the return. Particulars in respect of admissions by season ticket, pass, membership ticket, or complimentary ticket will be recorded on the return in the same manner as daily paid admissions. The return, certified by the owner, accompanied by the tax, shall be remitted to the collector, and the tax may be paid by cash, or by cheque, bank, express, or postal order, or postal note, free of exchange, cost of remittance, and other charges, and where payment is tendered by cheque or order, no tax shall be deemed paid, notwithstanding any receipt given therefor, until the amount of the cheque or order by which payment is tendered has been collected by the collector.

3-2. Where the place of amusement is permanently established in one locality or is following an established circuit and is providing a continuous weekly programme three or more days in each week, the return must be filed and the tax collected shall be paid to the collector not later than five o'clock in the afternoon of each Wednesday, being the tax collected in the preceding week. If Wednesday is a statutory holiday, the tax shall be paid over on or before five o'clock in the afternoon of the next business-day. However, the collector at any time may demand the immediate payment of the tax collected for any specific performance or for any specific day.

3-3. Where the place of amusement is permanently established in one locality or is following an established circuit and is providing irregular or non-continuous entertainment of not more than two days a week and is owned by a resident of the locality of the establishment or the circuit, the return shall be filed and the tax collected shall be paid by the owner to the collector not later than five o'clock in the afternoon on the fifth day of each month, being the tax collected in the preceding month, or if the fifth day of the month is a Saturday, Sunday, or a statutory holiday, the tax shall be paid on or before five o'clock in the afternoon of the next business-day. However, the collector at any time may demand the immediate payment of the tax collected for any specific performance or for any specific day.

3-4. Where the troupe, circus, carnival, artist, performer, or other amusement enterprise is traveling and itinerant, and where the owner or manager who controls the sale of tickets to the performances and admissions thereto and the collection of the tax thereon has no permanent place of business in the locality where the performance is being held, the owner or manager shall file the return and shall pay the tax to the collector for that locality at the conclusion of the final performance in that locality unless the stand in that locality extends beyond a week, in which case the tax collected shall be paid and the return filed at the conclusion of the last

performance in the week for that week, and an additional return shall be paid to the collector at the conclusion of the final performance for those performances which took place after the week had expired and which were not shown on the return filed for the week. However, the collector at any time may demand the immediate payment of the tax collected for any specific performance or for any specific day.

3-5. The owner or manager of every regularly operated place of amusement shall notify the collector forthwith both when the place of amusement commences operation and when it has discontinued or temporarily ceased active operation. When a place of amusement temporarily ceases to operate, the owner or manager thereof shall continue to file a return pursuant to these regulations showing the dates of non-operation and for which no amusement tax is payable. This regulation shall not apply to performances which are travelling or itinerant and which come within Regulation 3-4.

3-6. A separate return shall be made for each place of amusement unless a consolidated return has been approved by the authorized officer.

Where the tour is revised, a report shall be filed with a collector showing all the revisions both as to dates and places. The revised report shall be filed with a collector before there is any departure in fact from the tour as set out in the original report.

4-3. Where the person who is responsible under Regulation 4-2 for filing the report is a resident of the Province, he shall file the report with the collector in his own locality. Where the person who is responsible under Regulation 4-2 for filing the report is not a resident of the Province and has no address in the Province, he shall file the report with the collector at the place where the first performance of the tour is held.

4-4. A copy of the report required under Regulations 4-1 to 4-3 and of any revised report and the amusements-tax receipts must be carried with the amusement enterprise and be produced by the owner, proprietor, or manager on the request of any collector for his inspection.

obtain a registration certificate in respect of each individual place of business. The registration certificate shall be displayed in a prominent place on the premises; provided that in cases where an owner has no fixed place of business in the Province, he shall keep his certificate on his person at all times while doing business and produce it upon request to a purchaser of admission or a duly authorized representative of the authorized officer.
